Entertainment Application

Pride in the CLE is accepting applications from musicians and performing artists who are interested in appearing at Pride in the CLE 2020. Performers of all genres are encouraged to participate. Pride in the CLE typically features drag queens, bands, solo musicians, dance troupes, chorus, DJs, performance artists and youth talent, but we’re open to anyone who has a performance to share.

Compensation Policy
Not all performances are paid engagements. The majority of the artists that perform on stage volunteer their time and talents to celebrate with the community and inspire the positive change that Pride represents. Artists will not be compensated unless terms have been agreed upon in a written and signed contract with Pride in the CLE bwo LGBT Community Center of Greater Cleveland.
