The QYou Lorain Initiative is a youth-focused program of The LGBT Community Center of Greater Cleveland and is designed to support Lorain county based organizations who serve LGBTQ+ youth. We offer support through providing general consultative services, assisting with program facilitation plans, and enabling connections with the Center and community partners for special programming.

**HOW CAN WE SUPPORT YOU?**

- One-on-One consultations to learn about best practices for working with LGBTQ+ youth in a variety of settings
- Assistance with forming A GSA group (Gay Straight Alliance, a type of student social group focused on queer youth)
- Connections with informative trainings to learn more about the LGBTQ+ Community
- Pathways to partnering with the Center and LGBTQ+ Lorain County for special programming
