LETTER FROM THE EXECUTIVE DIRECTOR

As we gather for the 8th Annual Pride in the CLE® March and Festival, our hearts brim with gratitude and anticipation. This celebration can’t happen without the support of our esteemed community partners, including the City of Cleveland, Councilperson Kerry McCormack, Palmer Event Solutions, our generous sponsors, exhibitors, volunteers, and the devoted team at the LGBT Community Center of Greater Cleveland.

This year’s festival pledges an unparalleled experience, boasting a dynamic lineup of performances. We’re exhilarated to spotlight the rich talents within the LGBTQ+ community and to amplify vital voices. Amidst the festival grounds, you’ll discover remarkable organizations and businesses dedicated to the well-being of our LGBTQ+ community, offering resources and support. And, don’t miss the chance to savor the offerings of our food trucks, partake in our cocktail and mocktail bar, take part in drag story time, and much more!

As we commemorate Pride in the CLE® this year, we’re also eagerly embracing the promise of the future. Next year, the LGBT Community Center of Greater Cleveland will mark its 50th anniversary, signaling even greater endeavors ahead. But for now, let us unite in celebration of our LGBTQ+ community, our allies, our families, our elders, and all who enrich our community. Happy Pride, and joyful Pride in the CLE®!

Join us for a day of unforgettable celebration, connection, and camaraderie!

Sincerely,

Phyllis “Seven” Harris

ABOUT PRIDE IN THE CLE®

“As The Center approaches 50 years as an organization dedicated to advocating for and supporting Northeast Ohio’s LGBTQ+ community, producing Pride in the CLE® has truly been an honor. Let us unite and raise our voices to make our presence known - we will not be silent in the fight for protection, rights and respect.”

Phyllis “Seven” Harris
Executive Director

“Following the cancellation of Cleveland Pride in 2016, I was asked if I could help make Pride happen in 2 weeks. I remember saying ‘No one can, but we will.’ The event has only grown since, and is a true testament to the strength and power of Northeast Ohio’s LGBTQ+ community.”

Dr. Daniel Hamilton
Director of Finance

“Pride is a movement, not a moment. Progress is not achieved solely through one-time events, but rather through ongoing efforts to challenge social norms, combat discrimination, and create a more inclusive and accepting society for all individuals.”

Gulnar Feerasta
Managing Director

“Every march, parade, circuit party, drag performance and protest this month is proving that, though it is marginalized and oppressed, the Queer community is Proud. So raise a flag, raise your voice, and let your Pride be seen!”

Tom Stebel

Great things happen when good people collaborate!

Palmer Event Solutions is proud to have collaborated with The LGBT Community Center of Greater Cleveland in producing Pride in the CLE.

Organizing events takes more than planning and logistics; it takes a community! We were honored to work alongside The Center’s devoted staff, volunteers, and countless supporters. The collaborative effort involved community groups, vendors, exhibitors, city officials and so many others.

We would also like to express our gratitude to the past, present, and future visionaries who generously devote their time, energy, and talents to keeping this meaningful event thriving in Cleveland.
